Pima Utility cost increase

Dear Commissioners:

ORIGINAL

As a resident of Sun Lakes, I'm writing to request you oppose plans to charge Sun Lakes' residents for the personal income taxes owed by Pima Water Company owners from the sale of the water to us. Our water and sewer bills are already high enough without also adding the water company owners' income taxes from the sale of the water to our bill.

Why should the owners of Pima go tax-free on their water sales income when I have to pay taxes on my income?

How is it fair that I have to pay my taxes and someone else's too?

Please do not require Sun Lakes' residents to pay Pima Water Company owners' taxes owed on their profits from the sale of the water to us.

Thank you.

Sincerely

Ed Molieri

"If the owners of our Sun Lakes water companies want us to pay their personal income taxes from the sale of their water, the owners should have to file all their tax papers with

the Arizona Corporation Commission!

Please do not require Sun Lakes' residents to pay Pima Water Company owners' taxes owed on their profits from the sale of the water to us.
